and many more

Aspose can be used with

- Java
- .Net
- C++
- PHP
- Python
- Nodejs
- Android

Aspose Java Library can be downloaded as trial version from www.aspose.com

Following is the code to read excel file through aspose in java

```
//
Load
Excel
file

Workbook wb = new Workbook("workbook.xlsx");

// Get all worksheets
WorksheetCollection collection = wb.getWorksheets();

// Loop through all the worksheets
for (int worksheetIndex = 0; worksheetIndex < collection.getCount(); worksheetIndex++) {

    // Get worksheet using its index
    Worksheet worksheet = collection.get(worksheetIndex);

    // Print worksheet name
```

```
System.out.print("Worksheet: " + worksheet.getName());

// Get number of rows and columns
int rows = worksheet.getCells().getMaxDataRow();
int cols = worksheet.getCells().getMaxDataColumn();

// Loop through rows
for (int i = 0; i < rows; i++) {

    // Loop through each column in selected row
    for (int j = 0; j < cols; j++) {
        // Print cell value
        System.out.print(worksheet.getCells().get(i, j).getValue() + " | ");
    }
    // Print line break
    System.out.println(" ");
}
}
```
